

School Formals

This is a day full of fun when the guys and gals outdo each other with their outfits, hairdos and cars.

Why not make it more affordable for your parents and share the cost with your friends and cruise down together.

The more, the merrier!

Cruise down together and make a grand entrance arriving in a 1957 Chevy. Let the rumble of the engine alert others that you have arrived.

Your photos (with your permission) will be put up on our website to share with your friends.

Feel free to bring along your own music and enjoy the ride!
